<b>【Course Objectives and Focus : 授業の到達目標及びテーマ】</b>			
<p>This course is designed for students at JLPT N5-N4 level. The course aims to develop communication skills and to understand Japanese culture. Students will interact with Japanese people through many activities outside the classroom and write report what you experienced. Students will learn new words, grammar and expressions beforehand of activities as preparation. Students will also have opportunities to practice speaking with Japanese students as well as visitors from local area. At the end of each activity, students will be required to reflect their experience and to evaluate their own work.</p>			
<b>【Course Summary : 授業の概要】</b>			
<p>Students will gain applied Japanese ability through in and out of school activities. Students will acquire authentic Japanese ability, deepen their understanding of Japanese society and culture, through discussion about some themes, discussion with Japanese students, activity, field trip, presentation about a self-made poster. Hopefully, this course can be an opportunity for students to get inspired to reflect on their own culture.</p> <p>■Activities :</p> <ul style="list-style-type: none"> <li>● Develop communication skills in activities using Japanese the students have studied so far.</li> <li>● Learn new words and grammar and use them in activities.</li> <li>● Explore life in Japan; experience the lifestyle and culture by talking with Japanese people.</li> </ul> <p>■TATEWARI Activity: Group work with students from other Japanese courses and Japanese students.</p>
