

【Course Objectives and Focus : 授業の到達目標及びテーマ】

This course is designed for students who have never learned Japanese before. The goal of this course is to acquire the basic working knowledge of modern spoken Japanese for attending the 4-week intensive Japanese language and culture program. It includes grammar and for skills: speaking, listening, reading, and writing. The students are expected to read and write HIRAGA and KATAKANA before attending this course.

In this course, students will learn Japanese language through REAL activities and interaction with Japanese people. Many activities are planned as follows:

- Interacting with Japanese students and asking questions based on students' interests.
- Asking for directions to go to designated locations, and complete the tasks.
- Home visiting to interact with the family member.
- Introduce your hometown.
