Semester 学期	Spring	Credits 単 位	2
Course Level 履修年次	N/A	hrs/wks 時間数/週	2
<p>【Course Objectives and Focus : 授業の到達目標及びテーマ】 The purpose of this course is to offer an introduction to Japanese religions from the perspective of the social sciences (sociology & anthropology of religion), with special attention to modern dynamics such as secularization and nationalism. Throughout the course, comparisons will be made with religious phenomena in other parts of the world. No prior knowledge of either Religious Studies or Japanese Studies is required.</p>			
<p>【Course Summary : 授業の概要】 The contents of the course will be presented by both the instructor and students. Students will make presentations about specific topics, followed by the instructor's discussion and introduction of relevant scholarly materials and audiovisuals.</p>			
<p>【 Preparatory Work : 準備学習等についての具体的な指示】 Students will be assigned reading materials for specific topics, which they must summarize for their presentations on basic knowledge about the topic. Additionally, students will make another presentation at the end of the course, comparing some aspects of Japanese religions with the religious traditions of their own countries. Active participation and discussion is expected in every session.</p>
