

Course Title 科目名	Advanced Japanese IV 上級日本語 IV		Instructor 担当者	FUKUMORI Sugako 福盛 寿賀子
Semester 学期	Spring		Credits 単位	2
Course Level 履修年次	NA		hrs/wks 時間数/週	4
【Course Objectives and Focus: 授業の到達目標及びテーマ】 Advanced Japanese III and IV are not independent courses, but are one course. Therefore the purpose of both is the same. But this course particularly focuses on the practical conversations including the ability to manage speech levels properly and grammar that allows the students to more richly express themselves. When students have completed these courses, they will be able to freely express in Japanese even in difficult situations and attain the level of JLPT N2-N1 (depends on each student).				
【Course Summary: 授業の概要】 This course is a continuation of Advanced Japanese II from the fall semester. As in Advanced Japanese I, II, III, this course is also designed to develop the four language skills through the study of a variety of different topics on Japan and the world. In lessons you will practice talking about the topic while learning new expressions. Through many exercises including debate, polite-form role play, composition and student presentations using new words and grammar, you will advance your Japanese skills.				
【 Preparatory Work: 準備学習等についての具体的な指示】 You are expected to practice the conversation ahead of time. And you have to do daily homework given in each lesson (grammar -exercise, interview, research, and so on).
