Semester 学期	Spring	Credits 単位	2
Course Level 履修年次	N/A	hrs/wks 時間数/週	4
【Course Objectives and Focus: 授業の到達目標及びテーマ】 The course is a continuation of the first semester course. It is intended to develop students' ability to express themselves freely in Japanese. They will find themselves having a good command of Japanese, and by the end of the semester, will be approaching the door to advanced Japanese.			
【Course Summary: 授業の概要】 In order to achieve the goal of the course, students will spend much time on speeches, conversations, discussions, and interviews. This course also includes conducting a research project (in some small groups) on a topic of students' own choice and giving an oral presentation based on the survey results.			
【 Preparatory Work: 準備学習等についての具体的な指示】 Try to find topics in your everyday life, such as cultural differences and so forth, to speak and write about. For the final oral presentation, students cooperate with others in a small group and do some additional work outside class too.
