【Course Objectives : 授業の到達目標】

After successfully completing this course, students will:

- 1) acquire the communication skills required for stating opinions and giving explanations
- 2) obtain social-cultural knowledge (ex. honorific) they need for advanced level communication
- 3) increase vocabulary and grammar required for advanced level
- 4) be able to make presentations and discussions more accurate in Japanese

【Course Summary : 授業の概要】

The main learning activity of advanced class is discussion and practice by students. Students read a slightly more complex text and discuss the structure of the text and what they understand. Students also increase their vocabulary and grammar and practice and role-play using them appropriately. And they exchange opinions by making speeches and writing reports. Careful feedback on all these activities will help each students brush up their Japanese and improve their skills. They also choose their favorite themes and make presentations and enjoy cross-cultural exchange.
