【Course Objectives : 授業の到達目標】

Advanced Japanese I and II are not independent courses but are one course. Therefore the objectives of both are the same. But this course particularly focuses on practical conversations, including the ability to manage speech levels properly, and grammar. When the course is completed, students will go on to the advanced level, JLPT N2-N1.(depends on each student)

【Course Summary : 授業の概要】

As in Advanced Japanese I, this course is designed to develop the four language skills (speaking, listening, reading and writing). In this course students will have many chances to practice using Japanese language and will learn grammar that enriches your expression. Students will practice what they've studied through many exercises including pair work, role play, repoting and presentations that will advance your Japanese.

【Study Required outside Class (Preparation etc): 事前・事後学習】

Students are expected to enjoy talking in Japanese and prepare for your activites in the class. Students will also have to do daily homework given in each lesson .
