【Course Objectives : 授業の到達目標】

This course is designed to improve students' overall Japanese listening and speaking skills, with special focus on speaking fluency, accuracy, pronunciation and conversation strategies. The goals of this course are:

- To expand students' knowledge and use of vocabulary.
- To acquire the abilities to understand others and express oneself effectively in Japanese.
- To understand written/spoken topics with long, complicated content geared to Japanese people.

【Course Summary : 授業の概要】

This is a CLIL-based advanced Japanese course that mainly aims to develop students' listening, speech, and grammatical skills. Students will read the assigned text and/or watch the assigned video clip as preparation for each class. Students will have ample opportunities for group work, including discussions and group projects.

【Study Required outside Class (Preparation etc): 事前・事後学習】

Students are required to complete the assignment of collecting and organizing materials related to a topic in each class and to submit the assignment without fail because the topic is to be discussed.

Students are required to prepare for lessons, such as confirming kanji readings and word in text or video clip before class.
