【Course Objectives : 授業の到達目標】

After taking this course, you will be able to :

- Understand the explanations you hear in your student life.
- Read and understand sentences that use the vocabulary and grammar you have learned.
- Be considerate of others in conversations with friends and school staff in your student life.
- Explain what you know and experience, and give opinions and discussions based on your experience.
- Do a brief interview and summarize the content.

【Course Summary : 授業の概要】

This class is designed for students who have learned the beginner's class. Intermediate Japanese III and Intermediate Japanese IV are continuous, and we aim to improve the four skills of reading, writing, speaking, and listening through both classes. The level of vocabulary and grammar used in class is about JLPT N3. We will cover familiar things such as conversations in student life, student experiences, and things that students are familiar with. At the end of this course, we will conduct an interview work with Japanese students. In class, we will emphasize communication between students and provide many opportunities to share their experiences, opinions, and knowledge.

【Study Required outside Class (Preparation etc): 事前・事後学習】

- You are advised to check the class schedule and prepare for the lesson.
- You are required to submit the conversation and writing assignments assigned to each lesson one week later.
- You should prepare for the review test at the end of the lesson.
