Semester 学期	SPRING 2024	Course Level 履修年次	N/A	Credits 単位	2	hrs/wks 時間数/週	2
【Course Objectives: 授業の到達目標】							
<p>Japanese literature, like English literature, has a long history and contains works in a wide variety of genres. Japanese literature, as the prolific writer and translator Donald Keene wrote, “includes some of the world’s longest novels and shortest poems, plays which are miracles of muted suggested and others filled with the most extravagant bombast. It is, in short, a rich literature which deserves better understanding.” It is the object of this course to deliver that. In addition to material indicated in the Content section below, students will be encouraged to read complete works of their own choosing.</p>							
【Course Summary: 授業の概要】							
<p>The second semester of this course will cover a representative anthology of novels, short stories, and essays from the Meiji Period (1868-1912) up to present day.</p>							
【Study Required outside Class (Preparation etc): 事前・事後学習】							
<p>Students are expected to keep up with weekly reading assignments, a schedule of which will be provided at the beginning of the course. Participation in class discussions is a must and will be factored in to the final grade.</p>
