Attendance Policy

Regular attendance is necessary. Attendance is recorded for every class meeting. Since you are expected to acquire basic spoken Japanese in this course, frequent practice of speaking with your classmates is essential. Each absence will reduce by 2 points the full score assigned for this entire course regardless of the reason. Three late attendances will count as one absence. Perfect attendance for the entire semester will add 3 extra points to your final score.

When you miss a class, you need to inform Instructor of the reason by E-mail or telephone as soon as possible. If you are absent three times without notice, you will lose the right to attend the class.
