

Course Title 科目名	The Japanese Stock Market B 日本の株式市場 B			Instructor 担当者	JUNG, Euicheol 鄭 義哲		
Semester 学期	SPRING 2024	Course Level 履修年次	N/A	Credits 単位	2	hrs/wks 時間数/週	2
【Course Objectives: 授業の到達目標】							
The objective of this class is to provide the basic knowledge about the stock and Japanese stock market. Stock market is generally said to be a mirror that reflects the state of a nation's economy. In that respect, understanding stock market is critical to get the picture of what was going on in Japan. This is our goal.							
【Course Summary: 授業の概要】							
This class aims to help you to understand the Japanese Economy and companies through the Stock Market, To achieve the objective, first we will look at the business entity, especially "Corporation" which is the main players in stock market and then will cover the topic of stock itself, including the basic valuation. In the last part, we will look into the system of Japanese stock market and corporate governance in Japan.							
【Study Required outside Class (Preparation etc): 事前・事後学習】							
If you want to better understand the content of this class, I advise you to read newspaper(like Japan Times) which help you get better understanding of ongoing events in the Japanese Stock Market. And also after class, you would need to review the class material. If you have any questions, you are very welcome to share your opinions in class.
