【Grading Criteria: 成績評価の方法】

Class Participation 10% | Homework 20% | Presentation 10% | Challenge Quiz 10% | Vocab Quizzes (18) 10% | Final Exam 20% (Written 10% & Oral 10%) | Lesson Tests (5) 20% (Written 10% & Oral 10%)

【Note: 履修上の注意】

• If you are late to class more than 3 times it will count as one absence. Students are highly recommended to be seated 3 minutes before the class starts.

•Being more than 15 minutes late will count as one absence.

•Students who have 80% or lower attendance and participation are not allowed to take the final exam. Exceptions for extended illness will only be made when written medical proof is provided.

• Each unexcused absence and inappropriate usage of a smart-phone during class will lower the overall course grade by 1%.

• No make-ups will be given for vocabulary quizzes, but the lowest quiz score will be dropped.

• Make-ups will only be given for tests. Written medical proof is required.

• Challenge quizes on Moodle can be taken as many times as students want before the deadline. The highest score will be recorded as the grade.

• If a student cheats in any examinations (including quizzes) or plagiarizes required writing tasks, this student will receive a F as that final subject.

• All submissions, whether in draft or final form, to meet course requirements (including assignments and oral presentation) must be the student's own work. The use of either translation tools or AI tools for course assignments is the same as receiving assistance from another person. This goes against the fundamental requirement that all work must be the student's own and is strictly prohibited.

Note: The class schedule may be changed depending overall class progress.
