【Course Objectives: 授業の到達目標】

This Summer Course is different from the usual style of language learning. This course is designed to learn Japanese language through experiences using Japanese outside the classroom. Therefore, several projects will be implemented. Topics are determined based on the student's interests.

In this class, we aim to develop:

- Japanese language 4 skills.
- The ability to connect with others through communication and collaboration beyond cultural and custom differences.
- The ability to solve problems.
- The ability to contribute and ask for help.

Students are expected to:

- Learn new words and expressions through the activities.
- Use Japanese which are studied in class on various occasions.
- Learn more about Japan by experiencing Japanese culture.
