Semester 学期	Seinan Summer Japanese Program	Total Credit Hrs	70 *Review/ preparation hours included
Course Level コースレベル	Japanese-Language Proficiency Test N3-N2 日本語能力試験N3-N2レベル	総単位時 間	
<b>【Course Objectives: 授業の到達目標】</b>			
<p>This course aims at improving Japanese language ability through numerous activities. During the activities, students will interview Japanese people and experience a number of things that will require the use of Japanese. In order to do that, students will study new grammar, vocabularies, expressions, etc. After the activities are completed, students will summarize and make presentations about the activities and their experiences. In order to improve communication skills in Japanese, students will also practice conversation with their classmates and Japanese people.</p>			
<b>【Course Summary: 授業の概要】</b>			
<p>In class, students will have opportunities to talk about various themes in pairs and groups. Students will learn how to express their opinions to others, and share their knowledge and experiences to deepen each other's learning.</p> <p><b>【Activities】</b></p> <ul style="list-style-type: none"> <li>•learn new words, expressions and grammars frequently used in daily life</li> <li>•Write a composition or give a presentation about what you learned through the activities.</li> </ul>
