Semester 学期	SPRING 2027	Course Level 履修年次	N/A	Credits 単位	5	hrs/wks 時間数/週	10
【Course Objectives: 授業の到達目標】							
After successfully completing this course, students will acquire competence in Japanese language, especially in oral communication, of intermediate to advanced level. They will be able to understand, speak, discuss and write about basic academic topics and specific domains of interest. Also they will be able to use basic Japanese honorifics in daily/academic/professional life. At the end of the term, students will be asked to write a research essay as well as make a presentation on their chosen subject by using what they have learned throughout the course.							
【Course Summary: 授業の概要】							
1. Quizzes about the previous lesson's content 2. Presentation of the day (one student per class, five minutes per presentation) 3. Learning new words, grammars, expressions, skills, etc. 4. Exercises about the above 5. Creative activities: e.g. interview, discussion, speech, presentation, writing, etc. ※ Throughout the course, we will repeat the process of learning basic contents using textbooks/materials and applying them through creative activities. Topics and domains for the research activities are chosen by each student. The instructor will invite Japanese students for the activities.							
【Study Required outside Class (Preparation etc): 事前・事後学習】							
Students are expected to: 1. Prepare for the next lesson's content/activity. 2. Prepare for the quizzes regarding the previous lesson, by memorizing new words, grammars, expressions, etc. before every session. 3. Prepare for their short presentations. (Presentations will occur several times per semester. Frequency and subjects will depend on class conditions.) 4. Prepare for the final activity (an research essay and its presentation) ※ A minimum of one hour should be spent on each of these daily preparations. Each student must also prepare for a presentation several times a semester. A minimum of one hour should be spent for the preparation of these presentations. A minimum of five hours should be spent for the preparation for the final activity.

【Note: 履修上の注意】

More detailed information about the course and the evaluation will be provided in class. Course content and schedule may change regarding class conditions (the number of students, their Japanese language level, learning ability, and interests.) There will inevitably be differences in Japanese language levels and cultural backgrounds between students. However, each person has their own strengths, so students are expected to make the most of them. Students must respect each other and cooperate with each other. This is one of the purposes of this course, and it is one of the most important experiences and learnings throughout the course.
